

~~GETTING STARTED~~

JUST STARTING TO HOMESCHOOL

2010 by Renée Ellison

Let's take a look at what home schooling does for your child spiritually, academically, and socially. Then we can consider what it does for you as the parent – and look at the challenges you can expect to face. This workshop is designed to reinforce your convictions about home schooling--or to develop the courage to start doing it.

I. What homeschooling does for your child

A. Spiritually.

B. Academically.

C. Socially.

II. What homeschooling does for you

III. Enemy tactics

A. The competency question.

B. The intensity of relating.

C. Burnout.

D. The enemy's assault on godly beginnings.

E. The attack on sexuality.

IV. Curriculum

V. Go for it -- nothing to lose

Order our booklet #60 for more on this topic. It's available in print, as a free E-Book download from our website, and also as audio CD #1 in Renée's 13-CD album of Homeschool How-To Tips for Academics (#86-1). Renee has developed many helps for beginning homeschoolers, including QuickBook #105: *How to Make Optimal Homeschooling To-Do Charts.*
