The Education Resource Center (or ERC) is a ministry of Grace Baptist Chapel, serving home school families statewide from a central location in Albuquerque.

Open one day a week or by appointment, the ERC provides a staffed facility where veteran home school “experts” can provide advice, support, and encouragement, along with curriculum consultation, a curriculum library, home school supplies, testing and referrals, and home school community resource information. Over the years, more than 4,000 books and reusable resources such as DVDs, microscopes, and math manipulatives have been added to the lending library. Call or email for more information.

The days and hours the ERC is open vary from month to month, so always call first to verify, especially if you are traveling from out of town.
