

**Promote your business at the
2019 CAPE Homeschool Convention and Curriculum Fair**

On behalf of the Board of Directors of CAPE-NM (Christian Association of Parent Educators of New Mexico) and the CAPE Convention Committee, we would like to invite you to advertise in the 2019 CAPE Homeschool Convention Program Guide.

The program is vital to our convention attendees, as it contains schedules, information on workshops and speakers, and encouraging information for home school parents. The program guide also provides information about different extra-curricular programs, classes, curriculum, etc, so that parents, whether new to homeschooling or veterans, are able to make decisions for the upcoming school year for their families.

By advertising with us, you also become an important part of our overall mission – to provide the best education possible for our youth. Our attendees come to the convention from all over the state of New Mexico, plus surrounding states, which gives you the opportunity to have your business, services, or ministry information in the hands of over 800 convention attendees and vendors! If you would like to take advantage of this excellent opportunity, please simply complete the attached form or email Cathy at advertise@cape-nm.org.

Thank you,
Cathy Heckendorn
