One of the most discouraging problems for parents is sibling conflict. This material will give you the curriculum you need to help your kids grow in their relationships together and develop the life skills for future relationships as well.

You are the teacher.
Your home is the classroom.
Your children are the students.
And honor is the curriculum.

Honor means:

- Treating people as special
- Doing more than what's expected
- Having a good attitude

There are three roadblocks to sibling harmony and three God-given solutions:

Anger	Be a Peacemaker
Selfishness	Be a Servant
Foolishness	Be Wise

Treat Children According to Their Uniqueness
