CAPE at the Capitol (C@C)

The NM Legislative Session is about to begin. Homeschool legislation is expected to be included this year because of the issues surrounding homeschool groups participating in activities governed by NMAA. It would be great for homeschooling families around the state to come to Santa Fe to show them what homeschooling is all about. Please consider joining us for CAPE at the

Capitol February 2, 2017, starting at 9am. We will have a training session on how to talk to your legislators. We will also provide information on any bills that impact your homeschool so you can talk with your legislators. If you can send us an email at cacapitol@cape-nm.org by January 25 with the names of who in your family will be attending, we will provide name tags. Also keep in mind that NM legislators are volunteers, so bring something homemade as a thank-you to support our legislators. And if you want to expand your experience, consider having your students attend [TeenPact](#) which is the same week as C@C.
