February 5th, 2021, TeenPact 1-day class, ages 8-12 [Teenpact.com](https://teenpact.com)

## Homeschool Convention Postponed

We have all been learning to make face masks, searching for toilet paper, and now being limited in what we can buy for our outdoor BBQs. Life has changed beyond belief over the past two months. Many are shocked by what we are seeing in the United States, problems with freedoms being limited and censorship on Facebook. Some of the stories we hear are beyond belief. We are all searching for a return to some sense of normalcy in all aspects of our lives. None of this is a surprise to God. He is still in control and these challenges are all a part of His plan. Jeremiah 29:11 says, "For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future." In light of everything going on around us, the CAPE Board has determined that we must postpone convention. The orders of the governor will not allow such large gatherings. And while the infection rate in NM, for most of the state, is relatively low, we do not wish to put anyone in a dangerous position to risk their lives. The heart of the Board is to foster relationships within the homeschool community and this is more difficult to do when we are not together. We are holding out hope that we can still put together an event for the end of the summer. We will continue to evaluate our options and send details as soon as they become available. We are praying for your families, your health, and your communities.
