applied to health care.

Glorify God with Your Health Care

As believers in Christ, we are called to glorify God in all that we do. Samaritan members bear each others burdens by sharing the cost of medical bills while praying for and encouraging one another. This is Christian community. Glorifying God and changing health care for good.

Samaritan members can choose between two membership options for sharing their medical needs: **Samaritan Classic**, and a new, low-cost option, **Samaritan Basic**.

Monthly costs starting at:

Samaritan
BASIC

Samaritan
CLASSIC

	BASIC	CLASSIC
Individuals	\$100*	\$220
2 Person	\$200*	\$440
3+People	\$250*	\$495

**Based on age, household size, & membership level.*

Samaritan Classic remains the same great level of sharing it has been for over 20 years. Members participating at the Classic level can share their qualified medical needs, from \$300 up to \$250,000, at a sharing percentage of 100 percent. And the share amount for households of three or more has never exceeded \$495 a month!

At a lower monthly cost to members, **Samaritan Basic** offers more people the opportunity to be a part of the Samaritan family, and minister to other Christians in their time of need. Now with a higher initial unshareable amount, a limit on the amount of maternity, and a sharing percentage of 90 percent, members can share

medical needs at a much lower monthly cost.
