

# THE CAPE COMMUNIQUE

*dedicated to serving the homeschool community*

## Special Needs Children's Program

For the first time ever, CAPE is thrilled to announce that we are able to offer a program for special needs children. This program is extremely limited in the number of spaces available. If you are interested in registering your child, please contact Rocky Lira from

Legacy at (505)831-0961 to discuss and make sure they can handle the specific needs of your child. Please note that Legacy cannot administer any medication, and all food/snacks must be provided by the family.

Your children will be cared for lovingly regardless of which Legacy program they are registered in. To get information regarding any of the children's programs or to register for the children's program go to the **CAPE Website**. Please Note: Registration for this Special Needs Program MUST be completed by April 7, no exceptions. At the door registrations can not be accepted for the Special Needs Program.
