

Date:

Dear xxxx,

I really would have loved to get to meet you in person. My family and I will be visiting the NM Roundhouse the week of January 30, 2023. We would love to get to see what you do. Are there any committee meetings that you'll be in so we could see you at work? If possible, could you let me know what date and time so we could make sure to be there?

I would like to also invite you to the Christian Association of Parent Educators-NM (CAPE) Homeschool Convention. Attached is a brochure that provides additional information.

Should you have any questions, feel free to contact me at any time.

Sincerely,

Name
